**NMS PTSA MEMBERSHIP**— Supports our promotion of children’s health, well-being, and educational success through strong parent, family, and community involvement.

**NMS DIRECTORY** – A shared source for parent and student phone and address information, making communication easier and fostering relationships in and out of school. The NMS Student Directory is published on our website [www.nmsptsa.org](http://www.nmsptsa.org) in a password protected folder. **If you were in last year’s directory, you are automatically in this year’s.**

**COMMUNITY DOLLAR** – The PTSA is often asked by local charitable groups to contribute something for different fundraising events. The PTSA will only do so separate from its general funds where the money received has been specifically designated for that purpose.

**NMS PTSA “FAST UPDATE”** – The predominant way we communicate school-related information to parents and guardians is through Fast Update email distribution. **If you are already receiving Fast Updates from the NMS PTSA, you do not have to sign up again.**
